

Wildwood School is taking part in the CLYNK for Schools Recycling Challenge and we need your help! With CLYNK, we're able to host an easy and convenient bottle drive, and all funds raised will support our school. For every \$1 raised in the Challenge period, January 14 – March 22, 2019, our school will get an added 50 cents thanks to Hannaford Supermarkets. Plus, we'll have the opportunity to compete for other cash prizes. Last year's winners raised an average of \$1,500 for their school.

How you can help:

- 1) Grab a green CLYNK bag and go. Go to the front office at Curry Road or Scott Iovinella, Coordinator for the Young Adult Program in Latham to receive a tagged CLYNK bag for you to simply fill with your empty redeemable bottles and cans. Once filled, all you need to do is drop off your bags at a nearby CLYNK drop inside Hannaford. It's that easy! Funds raised will go automatically into our Wildwood School account which will help us reach our goal to raise funds for our Wildwood School account.
- 2) Bring your redeemable bottles and cans to campus and we will make sure they are bagged, tagged and dropped at Hannaford.
- 3) Sign up for a personal CLYNK account at clynk.com. With a personal CLYNK account, you can donate funds or dropped bags to support the Wildwood School.
- 4) Already have a CLYNK account? Please log into your account at clynk.com and consider donating funds from your account to the Wildwood School account or donating bags dropped during the Challenge period. Every dollar directed towards our Wildwood School account during the Challenge will earn a 50 cent match from Hannaford Supermarkets.

Thank you for your help and support! Together we can bring change to the planet and Wildwood School.

If you have any questions please contact the school office at (518) 836-2200.
