

Dear Wildwood families,

We want to inform our community that we recently learned that one student at our Curry Road location has tested positive for COVID-19.

**As previously communicated, Wildwood School is still currently following a 10 day quarantine from school following exposure for students who are unvaccinated. The affected students' families have already been contacted.**

Please know that the health and safety of your children is our top priority. We thank the tireless efforts of the county Health Department for their continued guidance and help.

If you have any questions at all please make sure to contact us. We want to hear from you if you have concerns. You can contact me ([jguernsey@wildwoodprograms.org](mailto:jguernsey@wildwoodprograms.org)) or 518-836-2239, Cindy Riggi, Associate Director of Operations ([criggs@wildwoodprograms.org](mailto:criggs@wildwoodprograms.org)) or 518-836-2200, or Melanie Ebbing, Lead School Nurse ([mebbing@wildwoodprograms.org](mailto:mebbing@wildwoodprograms.org)) or 518-836-2251.
