

Good Morning Wildwood School Parents and Guardians,

I wanted to inform you that yesterday, Wildwood School tested 20% of our students and staff for the COVID-19 virus. I am very happy to report there were no positive tests and we will remain in our Hybrid 1 model moving forward. There may be more COVID-19 testing in the future, if so, that information will be communicated with you.

It is encouraging to know that our safety protocols are working. I hope that you have a great day, and please do not hesitate to contact me if you have any questions. Thank you.

Bill
