Wildwood Families, Staff, and School Districts:

As you may know, Wildwood has been planning to relocate the Young Adult Program classrooms to our Curry Road School site. The COVID-19 pandemic has significantly impacted our original timelines for this project.

The Grad Class moved to Curry Road in the fall of 2020 to utilize the vacated space left by the relocation of some of Wildwood's administrative departments. Those moves helped with our New York State Department of Health mandated occupancy requirements at Latham Building 4.

We are now projecting that all of the Young Adult Program classrooms will be programming at Curry Road in September of 2022. If the projected timelines have to be adjusted for any reason, we will communicate that information with you as soon as possible. The Grad Class will remain in its current location unless there is a need to relocate the classroom due to construction. If you have any questions, please reach out to me at your earliest convenience. Thank you.
