Dear Parents and Guardians,

I am happy to inform you that a decision has been made regarding the 2021 summer programming. After reviewing all of the factors going into this decision, we are excited to inform you that Wildwood School is planning to operate at all 3 program sites 5 days a week, of in-person instruction and services. There are currently some remaining staffing vacancies at YAP that we continue to actively recruit for with interviews scheduled. If we are unable to fill the remaining vacancies this may prohibit us from opening YAP for 5 days a week, but we are on track to achieve this goal by the opening of summer programming on July 7, 2021.

We will be sharing this information with School District CSE's and School Transporters. As we get closer to summer, you will be receiving the summer letter next week with information regarding your child's location, program hours, teacher, social worker, and other details. The summer program dates are July 7, 2021-August 17, 2021. Thank you for your patience and understanding. Have a great day.

Yours truly,

Wilford M. LeForestier Jr.
